born 1.10.08

strain Hadban Enzahi

Sire: Asfour

Dam: Ibtehag Albadeia

This is a very special opportunity to purchase an Asfour stallion- Simeon Saadli. Asfour is highly regarded around the world as the sire of classically beautiful arábians.Â Saadli's dam is the multi Champion Ibtehag Albadeia imported from Egypt.

Saadli has just begun his breaking in and education - seen here with MarcusÂ at Forest Edge Equestrian Centre, Victoria, Australia.Â

Saadli has enormous potential as a ridden arabian in dressage, eventing or endurance. He has very sound legs, is smart and willing and looks a picture under saddle.Â He is very athletic and has made great progress in the dressage arena and out on trails through the Australian bush.

The bloodlines carried by Simeon SaadliÂ are precious bloodlines and valued worldwide. Saadli

hasÂ proven himself as a sire, having sired three very nice foals for us. They can be viewed on our website.Â
